HAB - Briefing.docx

This is the only one that Sisay has seen that is your comments? Not the recent one you sent me. I gave him a copy but could you sent it to him electronically or if you did, could you resend it and cc me on it.  
Thanks, Libby

Hi Cis,  
I will go ahead and give you what I have so far. I was going to add in some of the timelines but I'll give this to you now so you some time to combine our comments and then I can add more. Or if you feel like you have enough now with the timeline then maybe you can try adding some extra bullets? Let me know.

Thanks,  
Jasmin

Hi Sisay,

Thanks for pulling this together. Attached are my suggested edits. Once you have everyone's comment incorporated I'd like to take another look before we send it to Martin. Let me know if you have any questions about my edits. I left my notes at work so will look those over tomorrow and let you know if I have additional comments but wanted to keep it moving.

Thanks, Libby
